The
Motor Hotel
has the
BIGGEST
BEDBUGS
in Town!

When a young advertising salesman suggested to a small town hotel proprietor he begin a schedule of Display Ads aimed at Local Patrons, he agreed that the suggestion had merit. He felt however that he could not afford large enough Ads and stated "Nobody Reads Small Ads."

The Adman disagreed and was so sure of his service that he offered to run a series of one inch Ads free of charge providing that he could write the copy. The innkeeper thought this request was reasonable and responded with an "O.K., but what are you going to say in my Ads?"

"Nine Words," said the salesman. "It will read: The Motor Hotel Has The Biggest Bedbugs In Town."

The hotelman shouted, "You'll drive me out of business!"

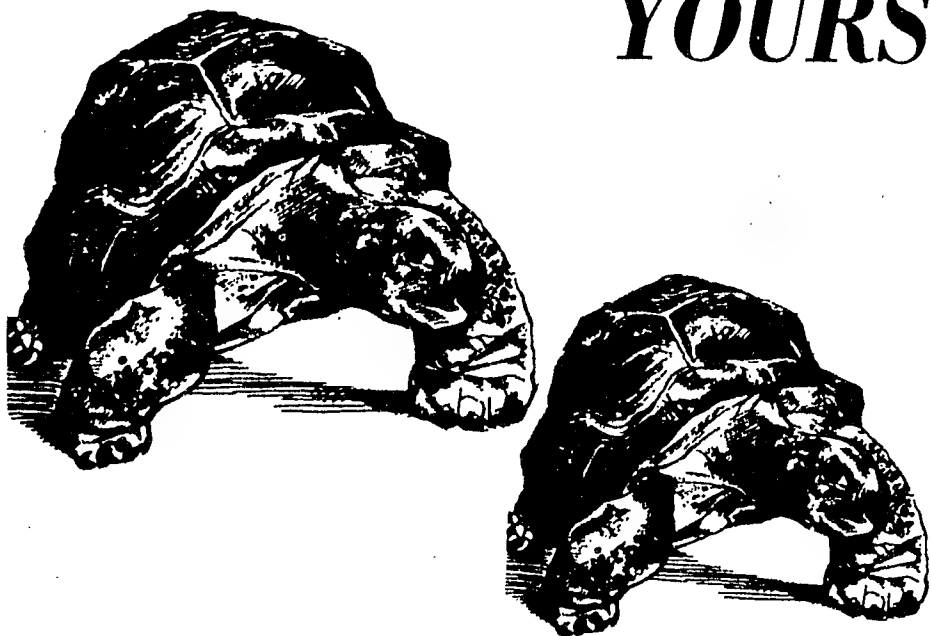

"But Sir!" said the salesman, "You said no one ever reads small ads."

People do read small ads. Many a large business started with small ads, and only because the Small Ads produced results were they able to become Big Advertisers. Don't put off telling people about your Products and Services just because you can't compete Size-Wise with large businesses. Discuss it with our representative. He'll have some good ideas for you.

***Act now! Arrange for your Ad
to appear in our next edition.***

ARE YOU GETTING

YOURS?

This is the time of the turtle. This little animal has survived the primordial world for 200 million years and may well plod on long after whales and human beings have vanished. The turtle has been a paragon of adaptability, having had a successful response for every new predator or environmental gangster. It's the perfect animal emblem for the survival oriented conservatism now creeping across the land. Slow starters and trusty haulers are in demand. Remember what happened to the hare?

Your City Directory can help you and your company become an evolutionary champ like the turtle, using properly verified information about carefully selected clients. You can achieve a higher closing/interview ratio, at a minimal amount of time and travelling expense. A current City Directory should be the backbone of every business. Don't make a move without it!

OUT OF SIGHT . . OUT OF MIND . . OUT OF BUSINESS!

The importance of keeping firm and product names in the public eye is recognized by all businessmen. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. **INSIST** on being well represented in its pages.
